

Amira Benali

Senior Health and Safety Coordinator | Casablanca, Morocco
amira.benali.demo@example.com

Professional Summary

Industrial health and safety professional with 11 years in cement and aggregates operations. Strong track record reducing lost-time incidents and embedding safety culture across multi-shift plants.

Experience

Lead Health and Safety Coordinator — Atlas Cement Works (2019–Present)

Led plant safety programs for 420 employees; cut recordable incidents 38% in three years. Rolled out contractor safety onboarding and permit-to-work audits.

Health and Safety Specialist — Mediterranean Aggregates (2014–2019)

Delivered toolbox talks, incident investigations, and PPE compliance across quarry and ready-mix sites.

Skills

ISO 45001, incident investigation, contractor management, risk assessment, Arabic, French, English

Education

B.Sc. Occupational Health and Safety — Mohammed V University
